

RUNAWAY AFFORDABLE PRICES FOR REAL CURES

RunawayRx releases its third set of illustrations capturing America's drug pricing problem. The satirical cartoons highlight the outrageousness of pharmaceutical companies' budget-busting drugs, the black box nature of their pricing practices, and the societal impacts of exorbitant price tags on governments, taxpayers, employers, and consumers.

In case you missed it, the first two sets are available [here](#) and [here](#).

"TAKE TWO PILLS AND CALL YOUR ACCOUNTANT IN THE MORNING."
